## G. W. U. Will Get Another Building

**Dean Hodgkins Has Plans For New Arts and Science Building on Twenty-first Street—Plans Auditorium to Seat Over 1,000 and Additional Large Lecture Rooms.**

Plans are now almost complete for the new Arts and Sciences Building, whose construction on Twenty-first, between H and G Streets, has been under consideration. "If the plans are approved at the next meeting of the Board of Trustees and materials can be procured," said Dean Hodgkins, "operations will be started with a view to opening the building in the spring."

The new building will be a valuable addition to the whole University, as well as to the Arts and Sciences Department. The plans show an auditorium, occupying almost the entire first floor and having a seating capacity of more than a thousand people. The building, which is to be four stories high, will be arranged to have the three floors above the auditorium divided into twelve lecture rooms. It is estimated that each lecture room will have a seating capacity of between 75 and 100 persons.

The new building will offer many advantages to the University. The auditorium will make it possible to have a large percentage of the student body together at regular chapel services, as is a precedent at many other colleges. The addition of a number of large lecture rooms will eliminate to a large extent the present, crowded condition of many of the classes.

Dean Hodgkins announces that an architect's picture of the building will be published after the plans have undergone a little more preparation.

## DEAN WILL OFFICIATE AT FALL CONVOCATION

The fall convocation of G. W. University will be held Thursday, October 28, in the chapel at 2023 G Street Northwest. In the absence of President Collier, Dean Hodgkins will officiate.

Mr. Kayser, secretary of the University, announces about 20 degrees will be conferred from the following departments: Columbian College, Teacher's College, Graduate Studies, Law and Medicine.

Students are cordially invited to be present at the exercises.

### FACULTY CLUB MEETS.

The first meeting of the newly formed Faculty Club of George Washington University was called by a committee headed by Prof. DeWitt C. Croissant, at 719 Twenty-first Street Northwest, October 16, at 8 p. m. The faculties of all the departments were represented. The main business of the evening was organization; temporary officers were elected. Prof. Doyle was elected president; Prof. Michelson, secretary and treasurer, and Prof. Irwin, vice president.

### PRIZE AWARDED.

The Phi Delta Delta prize was awarded for the first time this fall to that woman student of the first year class who attained the highest average percentage in the regular work of the year. Through the generosity of a graduate member of the fraternity the prize was increased from \$15 to \$25. The winner was Miss Lois Gates Gorman. Phi Delta Delta will maintain the \$25 prize.

### LECTURER RESIGNS.

Mr. Wilbur LaRoe, until recently chief examiner at the Interstate Commerce Commission, has resigned as lecturer in Public Utilities at the Law School. Mr. LaRoe has severed his connections with the commission and is to enter private practice.

Mr. Harleigh H. Hartman, an examiner at the Interstate Commerce Commission, will give the course. Mr. Hartman is an authority on public utilities. He has served as a member of the Illinois Public Utilities Commission and has written several treatises on the subject he is to teach. He has also had several years' experience as a teacher of law at Northwestern University and at Lincoln College of Law. He holds the degrees of M. A., Lake Forest University; LL. M., Northwestern University; D. C. L., Hamilton College of Law.

## VILLANOVA TO PLAY HERE AGAINST G. W.

**Formidable Penn. Team Is Expected to Outweigh Buff and Blue and to Use "Heisman Glide."**

George Washington University football team meets Villanova College players Saturday afternoon at 3 o'clock at American League Park. The visiting eleven has adopted the famous "Heisman glide," a variation of the Georgia Tech shift, in its games this year. The Buff and Blue has been practicing this week against this play.

Villanova probably will outweigh G. W. in the game, but will find itself up against a team determined to win. Last week's overwhelming defeat at the hands of the West Virginia University team has spurred the team on during the week. But two members of the regular team were much the worse for wear in last week's contest at Morgantown, and during the last few days the regular team has been put in first class condition.

The addition of John Daly, James Hume and "Beef" Jones has made the team much stronger than a week ago. Daly weighs 172 pounds and will balance Kay and Springston in the backfield. McAlister will play quarter. It is expected that Hume and J. Loehler will play ends, with Sandys and Hawley at tackles. Nilsson and Walter probably will start at guards, with Gronna and Jones in reserve. Paul Loehler will play center.

At no time this season has the team had the advantage of weight. Saturday the G. W. U. eleven will find itself almost on even terms as far as poundage is concerned. It is felt that the team has at least an even chance to win, and members of the team are confident they will have the punch to come through with a victory.

For Saturday's game the high schools have been invited to attend for half the price of admission. It is expected that a large number of Washington schoolboys and girls will avail themselves of the opportunity to see G. W. U. play. A rooting section will be reserved for G. W. U. followers.

## COLUMBIAN JUNIORS HOLD CLASS ELECTION

**Coalition Project of Classes Discarded; Revert to Former System of Distinct Organizations.**

At the annual election of officers of the junior class last Wednesday evening, held at Lisner Hall, the Columbian and Engineering Colleges reverted to their former status as separate departments. The Columbian juniors turned out in large numbers and the following officers were elected: Robert Pulliam, president; J. Fuller Spoerri, vice president; Lillian Smith, secretary; Leslie Bowen, treasurer (by acclamation); and Julia Browne, sergeant at arms.

The following resolution was introduced and passed:

"1. That the president is hereby authorized to appoint a social committee, of seven members whose duties it shall be to conduct all social affairs for the class except the junior prom.

"2. That the president is hereby authorized to appoint four members of the class, who, together with the class treasurer as ex officio chairman, shall constitute a finance committee to handle all financial transactions of the class.

"3. That the president and the other officers of the class, together with the chairman of standing committees, shall constitute an ex officio executive committee, which shall meet upon call of the president."

Mr. Ralph Nagle, as acting chairman of the Engineers' juniors, presented as the reasons for the Engineers' withdrawal the facts that that class did not want to lose entirely its identity as a separate department; further, that during the college year the Engineers held functions at which were presented lectures of a scientific nature which would not be of interest to a combined class. He further assured the juniors of Columbian College of the hearty support of the Engineering juniors, both morally and financially, in any activities they would promulgate tending to further the success of George Washington University.

## HATCHET REPRESENTED AT NEWS ASSOCIATION

**Will Journey to Penn State to Meet With Delegates at Intercollegiate Newspaper Ass'n Convention.**

The Hatchet will be represented at the convention of the Intercollegiate News Association by its editor, Harold E. Rhame; the business manager, John G. Ladd; and the news editor, John B. Wilson. The convention will be held at Pennsylvania State College, State College, Pa.

This organization was formed in May, 1919, for the purpose of bringing into closer relationship the newspapers of colleges in the Eastern States. The Hatchet was admitted last spring and this is the first convention in which its representatives will have taken part.

The last meeting was in May at Rutgers, New Brunswick, N. J. There are 17 members in the association.

### PYRAMID MEETS.

Pyramid Honor Society held its first business meeting of the year at the Law School last Sunday. Ways and means of putting the Student Tax across were discussed and a program for the ensuing year tentatively adopted.

### ENTERTAINS LEGAL CLUB.

The Women's Legal Club was entertained by Miss Etta Louise Taggart at her home on Park Road Sunday afternoon, October 17. The following officers were elected for the coming year: Miss Taggart, president; Miss Dorothy Johnson, vice president; Miss Sarah Tiltman, secretary, and Miss Woodson, treasurer. With this excellent selection of officers the old-time pep of last year is looked for among the ladies, and as heretofore may there be a preponderance of success.

## GIRLS' BASKETBALL RALLY

A basketball rally will be held on the rear campus of the Arts and Sciences Buildings at 12:30 Wednesday, October 27. Plans are being made to organize support for the girls' basketball team. Several former George Washington stars will speak. All girls interested are urged to be present.

## TAX CAMPAIGN WILL CONTINUE NEXT WEEK

**Tax Reaches Fifteen Hundred Mark and Will Be Continued With View of Obtaining Two Thousand**

Fifteen hundred George Washington students have signed the Activity Tax. The drive which started this week netted something like 200 tax signers. The Medical School stands with 100 per cent signed. The Law School has signed 75 per cent of its students and promises to go close to perfection. Columbian College is far behind the mark.

Harry Newman, in charge of the drive, is planning to continue during the week with the idea of raising the number of tax signers well above the 2,000 mark. It is planned to designate all of the signers within the next two weeks with G. W. U. buttons.

Those who have signed the tax will be presented with buttons and those who have not will, of course, be conspicuous without them. In this manner it is expected that the number of signers will be raised to the figures expected by the student council and the board of managers.

The fraternities and sororities are expected to make their returns within the week, when all of the figures will be made public. Lively interest is attached to the results among the fraternities and sororities in the matter of the tax, as many have signified their intention of coming through with 100 per cent.

An alumni tax ticket which gives the holders privilege to attend all games and to receive The Hatchet is being started. It is expected that a sizeable sum of money will be raised from the alumni interested in the University and in the athletic contests.

Results on the alumni privilege ticket will be given out as soon as they are available. Those in charge of the Activity Tax drive are expecting to be able to give much more satisfactory results this week. Some of the professors and instructors have been of great assistance in furthering the signing of the Activity Blanks.

## SENIOR LAW STUDENTS HOLD CLASS ELECTION

"Jimmie" Kay, 1921, a star of the football squad, was elected president of the senior lawyers at the initial class meeting of the year held at the Law School last Tuesday, the 19th. Miss Etta L. Taggart was elected vice president, Mr. Campaign secretary, and Mr. Harry Sokolove treasurer.

John D. Watkins presided and called the meeting to order. He surrendered the chair to the vice president upon her election. The election of the other officers took place, the choosing of the particular persons requiring several ball ballots.

J. J. Wilson made quite a hit when, after the election of the vice president, he called upon the men of the class to assert their rights and defy the nineteenth amendment by choosing men of the class for the other offices. His plea had weight.

### AUTHORS MEET.

The Literary Society will hold its first meeting Friday, October 29, at 8 p. m., at Lisner Hall, 2023 G Street Northwest. All interested in this activity are invited to attend.

### BIG CLASS IN MEDICINE.

The Medical School has started favorably this year, with a freshman class double the size of the classes of 1919 and 1918. The school is adequately prepared for the 51 freshmen enrolled, but if the increase continues the school will be enlarged next year. During the summer the laboratories were remodeled.

The University Hospital has also been improved extensively. It is running nearly full capacity. Expenditures, including improvements, have been exceeded for the past fiscal year. Dr. Daniel L. Borden believes this record unequalled by any other local hospital.

### LIBRARIANS APPOINTED.

Miss Frances Park, Law, '21, has been appointed librarian at the Law School. She will also have charge of the book exchange. Miss Park is a member of the Phi Delta Delta Legal Fraternity and of Sphinx. Mr. William Saulsbury has been appointed assistant librarian.

## PLANS CELEBRATION FOR UNIVERSITY'S CENTENNIAL

**Proposed Two Days of Festivities, February 21, and 22, in Celebration of Centennial.**

Elaborate plans are being formulated for George Washington University's Centennial celebration to be held February 21 and 22, 1921. The Centennial Committee held a meeting Saturday, October 16, at which preliminary arrangements were made and the project launched.

The committee proposes to have a formal dinner for students, alumni and guests from other universities. Plans for other functions are now under way.

### MANAGERS TO MEET.

Mr. Bryan Morse announces that there will be a meeting of all managers and assistant managers of the men's athletic teams at The Hatchet office Wednesday, October 27.

## CLUB ROOM ASSIGNED LAW SCHOOL STUDENTS

Mrs. Louis Hertle, wife of one of the trustees of the University, and Mrs. John Paul Earnest, wife of Prof. Earnest, of the Law School, have been very active in starting a campaign for funds to furnish recreation and rest rooms for the men and women of the Law School. A most attractive room on the second floor has been assigned for the use of the women and a large club room on the ground floor for the men. The task of furnishing these rooms is now underway.

Mrs. Hertle, as chairman of the committee, is giving the trustees, councilors and members of the Law faculty an opportunity to contribute. The committee has already raised about \$200. Tuesday evening the students in the Law School raised nearly \$400 in one, two and five dollar pledges, and in cash payments.

Fully \$1,000 will be needed to purchase good furniture and decorations. Every student in the Law School and the Alumni are urged to contribute generously. Checks will be gladly received by the treasurer of the committee, Mrs. Merton L. Ferson, or they can be given to the secretary of the committee, Miss Frances Park, at the Law School.

### PLUCKY SOPH IS HURT.

Joseph Garnett, '23, playing end, got his shoulder in the way of a few West Virginia men that looked to Joe like armored tanks. As a result, Jo will be able to make use of his free hospital treatment offered by the University to signers of the Student Tax. His collar bone has been broken, and he will be out of the game for some time.

### COUNCIL TO MEET.

The Student Council will hold a meeting Wednesday, October 27. The question of eligibility to athletic teams will be brought up.

## LETTER MEN TAKE NOTICE

All men in the University who are entitled to wear the W or the G W communicate at once with Eugene Underwood, 707 Twentieth Street, giving name in full, address and phone number. This is in connection with the formation of the G W Club. Important!

## The Quicker the Better

A new and modern building for the Arts and Science Department cannot come too soon. The need for such a structure has long been felt. The plans under consideration by Dean Hodgkins provide for an auditorium, many new and large lecture rooms and ample space for taking care of ever-growing classes. Such a building, if approved by the board of trustees, will be an inspiration for George Washington University and a lasting monument to permanency in this section of the city for this institution. The erection of a building in Twenty-first Street is taken to mean that George Washington is ending forever the discussion of picking up and moving elsewhere in the city. It is also assumed that we are literally "digging in." And if an Arts and Science building why not a big "G. W. U. Union" building, with a gymnasium, dormitories, meeting rooms, swimming pools and the like? There's a germ of an idea, not especially new for old G. W. U., but distinctly worth while.

## Parasites

The following editorial submitted by Miss Evelyn Jones speaks for itself:

Among the various excuses given for refusing to sign Student Tax Blanks is lack of funds due to the high cost of college education. In many instances evening students who are bearing the full burden of their college expenses have signed blanks willingly, although they have no opportunity for sharing the benefits offered. What is the matter with some of these people whose education is costing them absolutely nothing? They have not the excuse that tuition bankrupts them. Let some of the scholarship students who have refused to sign the tax come across and help those who are already overtaxed to share the burden and expenses. They share the benefits, we do the work. Let's go after the parasites.

## Let's Cheer

G. W.'s football team is fighting. They are going through as hard a schedule as could have been picked. Both the freshman and the varsity teams are meeting the best in the land. The hardest part of the schedule is yet to be played. Saturday, October 23, the varsity meets Villanova College. A cheering section will help win that game. Don't let the team do it all.

### CLASS IN HISTORY OF ART.

Dr. Brigham's class in history and appreciation of painting meets on Wednesday and Friday at 5 o'clock, 2024 G Street, middle room first floor. A supplementary course in early art has been arranged for special students. Both are illustrated. Two prizes are offered open to all students registered for a degree, of \$25 and \$15, named in memory of Genevieve Chatterton McCutchins, for best essays on subjects connected with archaeology or painting.

Dr. Brigham will be at home to her students and friends on Sunday afternoons at 5 o'clock at her apartment, The Naples, Nineteenth and G Streets, Northwest.

### ENTERTAINS LAW SENIORS.

The senior class and Law School professors and their wives were entertained by Miss Etta Louis Taggart at her home on Park Road Saturday, October 16. Mrs. Stafford and Mrs. Clephane served. Short talks were made by Dean Ferson, Col. Clephane and Profs. Lavery and Collier. A vocal solo was rendered by Miss Taggart of her old standby "Ciribiribim." The house was very prettily decorated in red and white.

### LAW JUNIORS TO MEET.

The junior law class has announced that on Monday, October 25, it will hold a meeting for the election of class officers.

## Stupid Steve Says:-

I was watching a polo game the other day. I used to play croquet and I can ride a horse a little, but I'll be darned if I can do them both at once.

I heard one football man ask another if he was working on the day or night shift.

Contrary to reports, it has been found by a Hatchet reporter that there were only two men and four women injured at the elections of the Columbian Debating Society.

Dear Mr. Stephan:

Please define caucus?

Answer: It is that which is left upon the death of a horse, or other animal matter.

Dear Stupe: What kind of a note is payable on sight?

Answer: Any kind; if you are able to catch him after you see him.

Dear Friend Steve:

As business manager of The Hatchet I would like you to suggest some proposition to make the Milo cigarette people in order to get an "ad" from them.

Answer: Tell 'em we have 2,000 coeds and 3,000 cake eaters at George Washington.

Dear Stupe:

I'm only a freshman, but I just met a girl that I love. What can I do? Yours, WILLIE.

Ans: Dear Willie:

You'd better see Miss Fairfax.

### CAMPUS COMMENTS.

Coach Morse says he has fine track material on the football team. He can tell it by the way the varsity team runs after the girls.

When I left her she said "I'll see you anon." I waited till long after the anon was up and she never came back.

J. C. H.

### Heard in the Medical School.

Pres—Bill and I are going over to the hospital this afternoon and see the Doc set a collar bone.

Johnny—Oh, that's nothing. I'm going down to Butkewitz's lab and see him set a rat trap.

BILL B.

Our scrub team has a new play all its own. It's called the baseball special and the signal is "Left-field" shift.

613 14th St. NW., Washington**The New Leader****COACH MORSE APPOINTS  
HARRY HAWLEY CAPTAIN**

Coach Morse announces the appointment of Harry R. Hawley to be captain of the 1920 football squad.

Harry Hawley, '23, was formerly of the University of Idaho, where he played on the football team in the back field for two consecutive years. Hawley has been playing tackle on the varsity since the beginning of the season, at which position he has proved of unusual ability. On a number of occasions his individual playing has been a credit to the team.

The captain of a team is usually selected by the letter men of the previous year's team, but it was impossible this year, because there are no football letter men. The Student Council authorized Coach Morse to appoint a captain for the 1920 team.

**RECORD NUMBER OF MEN  
TURN OUT FOR TRACK**

Manager Neilson Outlines Plans for Season's Practice, Which Will Start in January.

The largest group of track candidates that has assembled this year turned out Tuesday evening, October 9, to a meeting held in the coach's office at 8 p. m. The meeting was presided over by Track Manager Neilson in the absence of Bryan Morse. The manager spoke on the possibilities of track this year and outlined the plans already made.

Mr. Neilson said that unless more men could report for afternoon practice training would be postponed until after the Christmas holidays. He urged the men to come out and keep up their support so as to be ready to toe the line when the whistle blows.

Coach Morse has announced that he does not expect to start night practice until January. No suitable place for training has yet been secured, but the coach is at the present time trying to make arrangements for a track.

Sandy says, "Dick Vidmer plays without any headgear or pads, so no wonder he hurt his leg."

**RIGHTWAY**School of Dancing  
1212 New York Avenue

If you are thinking about learning to dance, don't make a decision before you have visited the Rightway Studio, only up-to-date Dancing Academy south of New York. Private course lessons: half hour, \$1. Private room for beginners. You need not have an appointment. Open 10 a. m. to 10 p. m.

**WEST VIRGINIA DOWNS  
BUFF AND BLUE ELEVEN**

G. W. Puts Up Plucky Fight Against One of the Strongest Eastern Aggregations.

Although being outweighed twenty pounds to the man, George Washington fought until the last whistle had blown in their game with West Virginia on the 16th. The Hatchettes stuck to the last and brought the West Virginia's stands to their feet by a steady march up the field in the third quarter for four successive first downs.

West Virginia's play was the most dashing of the year, and Beck and Harrick were the outstanding stars of the engagement.

Early in the game Beck practically sewed it up by a series of brilliant runs, which netted a total of 35 points in the first quarter, and after he had retired, Harrick took the center of the stage, pushing the ball over twice.

At the end of the fourth quarter the score stood 81 to 0 in favor of the home team.

In the third quarter Kay carried the ball through on off tackle plays and line plunging assisting materially in the first four downs made by George Washington. MacAllister and Springston featured in tackling, while Hawley and Walter played well in the line.

Line up and summary:

W. Va.	Positions.	G. W. U.
Meredith	L. E.	Searle
Johnson	L. T.	Sandys
Setron	L. G.	Walter
Fucy	Center	P. Loehler
Kay	R. G.	Nilsson
Flanagan	R. T.	Hawley
Harrick	R. E.	J. Loehler
Dawson	Q. B.	McAllister
Beck	L. H. B.	Springston
Lentz	R. H. B.	Hughes
Hawkins	F. B.	Vidmer

Score by quarters—West Virginia, 35, 27, 6, 18—81. Substitutions—West Virginia: Hill for Beck; Lytle for Dawson, Simon for Lentz, Nicholson for Fucy, Beck for Hill, Lentz for Simon, Dawson for Lytle, Courtney for Hawkins, Winder for Meredith, Kiger for Nicholson, Foy for Kay, Mullon for Johnson, Simon for Lentz, Hill for Beck, Lytle for Dawson, Ensweller for Winder, George Washington, Kay for Springston, Sims for Nilsson, Garrett for Searle, Terrell for Garnet, Milligan for McAllister, Mount for Hughes. Touchdowns—Lentz (2), Harrick (4), Hawkins, Beck (2), Simon (2), Lytle. Goals from touchdown—Lentz (5), Johnson (3), Hill. Referee—D. W. Merriman (Geneva). Umpire—Cliff Carlson (University of Pittsburgh). Head Linesman—B. F. Reiter (Lehigh). Time of quarters—15 and 15 minutes.

**FIGHT THAT'S US**

That's what the freshman eleven did at Norfolk last Saturday, fight and fight hard. When handicapped by the loss of two mainstays of the line and outweighed 25 pounds to the man, it bucked the Naval Base team of Hampton Roads and was defeated, 61 to 0.

These "gobs," champions of the navy, afloat and ashore, and a hard proposition for the best of college varsities, had several stars of national fame in their line up—two Georgia Tech men, two Naval Academy men, and several from other colleges—Villanova, Carlyle, and Boston College. The Naval Base team averaged 176 pounds to the man and were quick to take advantage of the weakness of George Washington's line and ends.

The game had its bright spots, especially the magnificent games put up by Richmond and Butler and the stellar playing of Skinker and Moyle. The freshmen gained great experience from the tough match.

Thanks and great praise are due to the Naval Station for the splendid hospitality given the G. W. men. Thanks are due to Simmons, assistant manager, who arranged the details of the trip.

**SUCCESS IS ASSURED TO  
GIRLS' BASKETBALL TEAM**

Twenty Girls Have Reported for Night Practice at Western High School Gym.

The girls' basketball season has started with a rush. Twenty girls have reported for night practice, and an equal number of day students have come out to support the team. The squad is under the tutelage of Miss E. R. Whitcomb, the new coach, and her assistant, Miss Martha McGrew. There are prospects for a very successful season.

So far, the law school is represented by a greater percentage than the arts and Sciences Department. We want an all University team. Arts and Sciences, come out and support your team. There will be instructors for beginners.

Practice will be held Monday and Wednesday evenings at 7:30 p. m. at Western High School and Tuesday and Thursday afternoons in Epiphany gym at 1 p. m.

**TRAIN TOPICS.**

John Loehler says he had the very deuce of a time getting into his hammock.

Ben Turpin's movie company would bid high for a few reels of film taken in that Morgantown sleeper last Friday night.

At 6 a. m. "Sleep Ruiner" Whyte ran through the car and announced, "Connellsville next stop; turn out for Morgantown. But the 'durn phile' forgot to say that the stop was 150 miles away."

At Connellsville the squad was met by Billie Wilbur, C. C., '20, who escorted them to breakfast in his "chariot." Billy motored from Pittsburgh down to Morgantown for the game.

## Among the Fraternities

### PHI SIGMA KAPPA.

Bob Marvin, last year of G. W. U. and this year of the University of California, sends his greetings from the Pacific coast to his friends at G. W. The first chapter dance of this season will be held at the chapter house, Saturday, October 23. A hearty invitation is extended to all alumni.

Russ Whyte spent the week-end at the distant metropolis of Morgantown, West Virginia.

### SIGMA CHI.

Sigma Chi held its first dance of the year on October 9.

Smokers were held at the chapter house on September 27, October 1 and 4.

Dean Davis has returned to George Washington University after several years' absence.

The chapter will have a wiener roast on October 23.

A successful smoker was held on the 18th.

### PHI ALPHA DELTA.

The local chapter, John Jay, of Phi Alpha Delta Legal Fraternity, entertained its brothers and friends at a

supper and smoker Thursday evening, October 14, at the Lafayette Hotel, with President Harris as toastmaster.

Dean Ferson congratulated the chapter upon the enthusiasm displayed in all student activities and outlined his versions of the many benefits to be derived from close association with men of the Phi Alpha Delta caliber, and the indispensibility of such association as a round in the ladder of success.

Prof. Wilson and Brooks Hays matched wits on Oklahoma, their native state. The former as a new member of the Law School faculty and a P. A. D. from Oklahoma University, won many new friends and gave much food for thought.

Brooks Hays drove home some good advice on "pep" and assured all

present that he knows a few things in that line.

### PHI MU.

Beta Alpha chapter of Phi Mu entertained at a luncheon on Saturday, October 16, at the home of Jo Houston.

Phi Mu will entertain the football squad at a tea dance at the Sigma Nu house on Saturday, October 23.

Phi Mu entertained 25 couples at a shack party on Saturday, October 9. Prof. and Mrs. Croissant acted as chaperons.

### KAPPA ALPHA.

Alpha Nu Chapter held a smoker at the chapter house last Monday night. Another smoker will be given this Saturday evening.

Brother Wolcott, from the University of Virginia, was a visitor at the house the past week.

Tom Strother and Travis Fletcher are registered at Georgetown University this year.

Alpha Nu chapter will give its Hal-lowe'en dance this season on October 30 at the chapter house.

### SIGMA PHI EPSILON.

Wilbur Montgomery is attending Maryland State, and Lee Shotwell is attending the University of Virginia.

"Shorty" Schoffstall and "Duke" Newcomer have been on a navy cruise this summer and have drunk more salt water than most of us have seen, besides seeing the sights in Belgium, France, Germany and Russia. They also learned the art of shoveling coal.

Sigma Phi Epsilon held its first fall dance on October 14. Louis Brown furnished the jazz, and although it was rather a warm night, the 30 couples present found the music too good to "sit out" dances.

Dean Wilbur gave a very interesting talk on the value of fraternities at a smoker on October 9. A smoker was also held on October 2.

### KAPPA BETA PI.

Miss Olive E. Geiger, of the local chapter of Kappa Beta Pi, attended the national convention held in Chicago September 17-18 and was elected associate dean of the grand chapter.

Miss Marion Clarke and Miss Elsie Foote, pledges since last spring, were formally taken into the chapter on October 18, 1920.

Miss Marion E. Holliday and Miss Olive E. Geiger, with two other members from each of the sororities in the school, acted as hostesses at the Sigma Nu "at home" October 17.

### SIGMA NU.

Delta Pi is starting the new school year with the rule that no man is eligible who has not passed at least nine hours of work. The rule further stipulates that the man must at the time of initiation be carrying at least five hours of work.

### CHI OMEGA.

Chi Omega gave a dance in honor of her pledges on Thursday night, October 14, at the Phi Sigma Kappa House.

### KAPPA SIGMA.

Kappa Sigma gave a very successful dance at the chapter house, Saturday, October 16.

The District Grand Master of Kappa Sigma will visit the chapter Saturday, October 23. Preparations are being made to give him a reception after the football game.

*A fact:*

Here in the very heart of Wall Street, Fatima leads. And at the Stock Exchanges of Boston and Philadelphia, Fatima is also the largest seller.

## Instead of fewer cigarettes how about less Turkish?

**S**MOKERS are learning that *straight* Turkish cigarettes, delicious as they are, are so rich that they soon tire the taste. They contain *too much* Turkish tobacco.

But smokers are learning also that instead of cutting down the number of cigarettes per day, they can cut down on the proportion of Turkish tobacco in each cigarette.

They can do this by switching to part-Turkish or Turkish Blend cigarettes.

However, many men find that ordinary Turkish Blends lack taste—they contain *too little* Turkish.

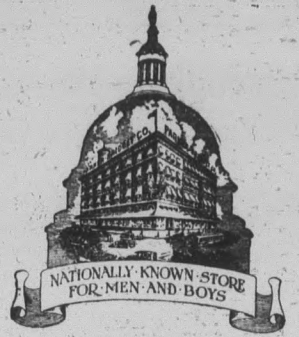

And so more and more smokers, as shown by sales-reports like that above are turning to Fatima. For Fatimas are *part-Turkish*—not *all-Turkish* like straight Turkish cigarettes. Yet they contain *more* Turkish than any other Turkish Blend.
